

**Licensed
Industrial
Applicator**

Du Pont has a network of Licensed Applicators, located throughout the world. Although Du Pont sells coatings to any legitimate user, **Licensed Industrial Applicators** are companies with trained people, experienced in selection and application of Teflon® coatings.

They are familiar with new developments and stock many Teflon® coatings. The Licensed Industrial Applicators are valuable resources for companies which are not equipped to apply Teflon® coatings.

Industrial Applicators meeting Du Pont's criteria are entitled to identify themselves through the use of the emblem above.

Du Pont has appointed **Sicore of Ferrière-la-Grande** as a Licensed Industrial Applicator for all applications of Teflon® coatings.
